Request for Recommendations of Candidates for the Position of Graduate School Professor,
Department of Orthopedic Surgery, Graduate School of Medicine, Nippon Medical School

To whom it may concern,

The Graduate School of Medicine, Nippon Medical School seeks candidates for the position of Professor of Orthopedic Surgery to fill the position currently occupied by Professor Tokufumi Majima, who is retiring in March, 2025. We would appreciate nominations from any suitable candidates in the relevant field, including your institution, department, or facility, either in Japan or abroad. If there is a suitable person in the related field, please recommend him/her as outlined below.

Please note that Nippon Medical School has a fixed-term system (five-year renewable contract).

Yours sincerely,

Akihiko Gemma
President
Nippon Medical School

Documents to be submitted: Please refer to the appendix.

Date of appointment: April 1, 2025 (planned).

Professor of Orthopedic Surgery, Graduate School of Medicine, Nippon Medical School is in charge of teaching Orthopedic Surgery in the undergraduate and graduate programs.
